- A true win-win: affiliates earn a livelihood, and Prep Bull gets the support it needs to keep improving its education standards

How It Works

1. Sign up as a Prep Bull Affiliate by reaching out to our team.
2. You'll receive your own Unique Affiliate Code (UAC).
3. We'll share course information and structure with you, so you can market our programs in your own way.
4. Refer students to Prep Bull using your UAC. The best available offer will be applied automatically to any student who enrolls through your code.
5. When a student referred by you enrolls and completes payment, you earn your commission.

Commission Structure

For every student who enrolls using your UAC, you earn a flat commission of PKR 5,000 — no matter how many students you refer.

Example: Ayesha refers 23 students who enrol using her UAC. Her total payout is $23 \times \text{PKR } 5,000 = \text{PKR } 115,000$.

How Referrals Are Tracked & Paid

Prep Bull currently manages the affiliate program manually — there is no automated dashboard or tracking system. Each affiliate is responsible for making sure their referred students mention their UAC at the time of enrolment, so the referral can be correctly matched and credited. Our team verifies each referral manually against enrolment records before processing payment.

- Affiliates are paid instantly after a referred student pays successfully
- A delay of 1–2 business days may occasionally occur due to technical difficulties
- Every successful referral is guaranteed to be paid

Policies & Guidelines

- No black-hat tactics: affiliates who spam their code or the Prep Bull brand will have their affiliate license cancelled. Promote smartly and systematically.
- If an affiliate fails to refer any student within 45 days of joining, their UAC will be suspended.
- Suspended affiliates are welcome to reapply.
- Affiliates may refer family or friends but may not use their own code for themselves or their siblings.
